

**How we (personally) got here**

- Jason’s story:
  
- Daniel’s story:

**What teams look like (biblical evidence)**

- \_\_\_\_\_
- \_\_\_\_\_ teams (Mark 6:7; Luke 10:1)
- The \_\_\_\_\_
- \_\_\_\_\_ ministry teams
- Local \_\_\_\_\_ (Acts 13:1-3; 14:23; 15:1-22; 20:17-38; 1 Timothy 5:17; Titus 1:5; James 5:14)
- Team \_\_\_\_\_ (Matthew 18:16; 1 Timothy 5:19)
- The \_\_\_\_\_ (I Peter 5:1-5)

**What teams look like (practical realities)**

To build a team, we must have the \_\_\_\_\_ people in place, so we must discern their \_\_\_\_\_ towards teams. Are they:

1. \_\_\_\_\_ to?
2. \_\_\_\_\_ to?
3. \_\_\_\_\_ to or \_\_\_\_\_ to?  
(\_\_\_\_\_ vs. basketball/\_\_\_\_\_ players)

Teams work best under a

- common \_\_\_\_\_ and \_\_\_\_\_
- diverse \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_

Two different kinds of teams:

1. Teams where everyone is \_\_\_\_\_ - \_\_\_\_\_

2. Teams where there is some semblance of \_\_\_\_\_ (far more common— sports/coach; marriage/husband, missions/directors, churches/sr. pastor or administrative elder, etc.)

Community in the \_\_\_\_\_ <-> community in the \_\_\_\_\_

Leadership teams are the best \_\_\_\_\_ application of 1 Corinthians 12

Two keys: \_\_\_\_\_ and inter-\_\_\_\_\_

Build it into the \_\_\_\_\_ and then filter it down into the \_\_\_\_\_

*→We do nothing alone that we CAN do \_\_\_\_\_ (\_\_\_\_\_ -making, discipleship, discipline, even \_\_\_\_\_!)*

If the leader isn't \_\_\_\_\_ the team members the team will never be healthy (i.e. discipling the team-members into unity).

*→It is not just about the team you can \_\_\_\_\_ but the team you can \_\_\_\_\_...People need to see it modeled before they will "buy in" (we can only reproduce what we know)*

Must have \_\_\_\_\_ and \_\_\_\_\_

Protecting your \_\_\_\_\_ (is this prospective recruit a \_\_\_\_\_ - \_\_\_\_\_? Don't bring them into the team if they are not!)

The key player is the key \_\_\_\_\_—people only believe they are a part of a team if they have confidence that they have a \_\_\_\_\_!

Again: healthy teams only happen if the prospective team-members \_\_\_\_\_ them to happen! You've got to have the right people!

### **Take-aways**

Am I a team-player?

- Do I \_\_\_\_\_ to be a part of a team?
- Am I willing to \_\_\_\_\_ the decisions of the group if they \_\_\_\_\_ from my personal opinions?
- Am I just as good of a \_\_\_\_\_ as I am a \_\_\_\_\_?

**If already a part of a team:** How can I more fully \_\_\_\_\_ and \_\_\_\_\_ that team?

**If ministering alone:** How can I \_\_\_\_\_ or \_\_\_\_\_ a team? (Proximity and geographical closeness is best, but don't miss the possibilities of \_\_\_\_\_.)

**My personal application:**
